INDUSTRIAL PARTNERS

Your 1-stop solution

Your partner in solutions!

Your 1-stop solution

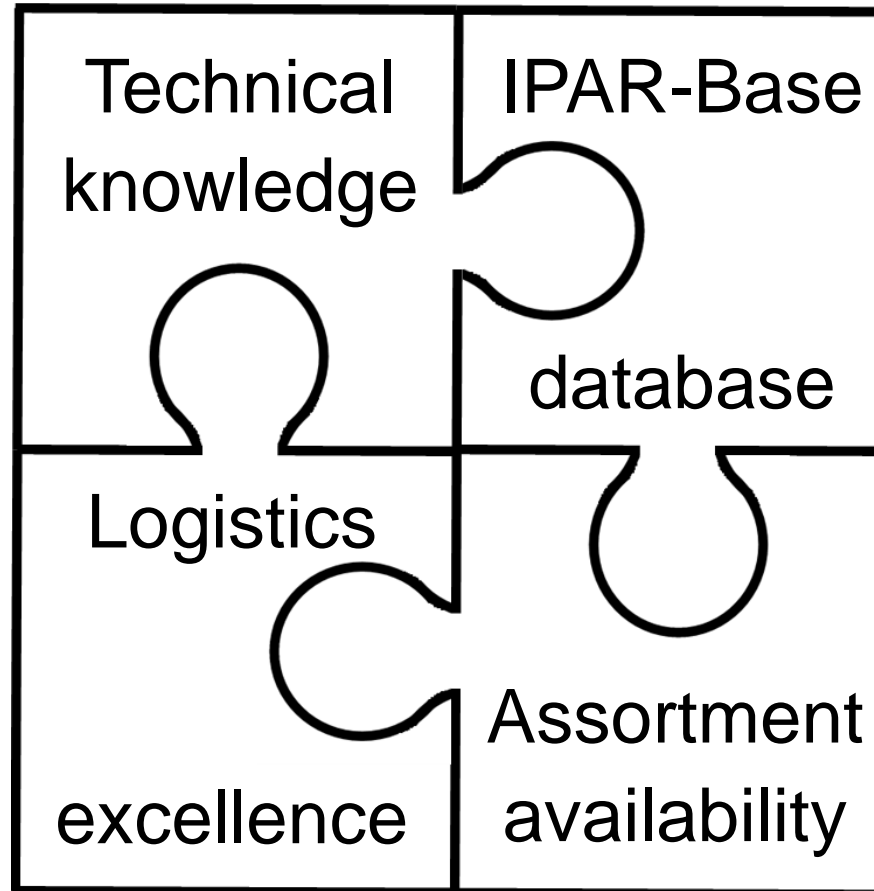

Who is IPAR Industrial Partners?

- More than 50 years partner for the industry!
- Supplier of quality components
- Professionalism from your perspective
- Your logistic partner
- Part of Sator Holding
- Member of FEDA / FIMOP

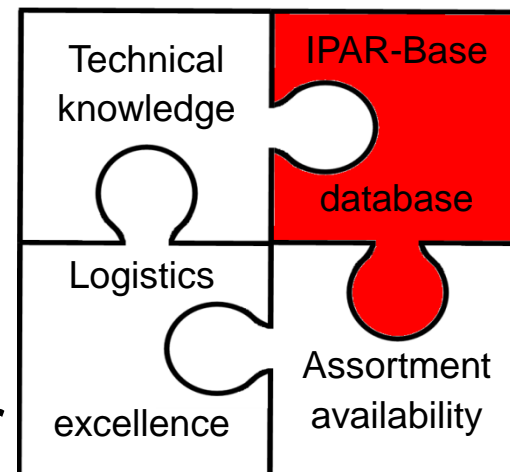

Your 1-stop solution concept

IPAR-Base online database

- Finding parts swiftly
- Via multiple search options
 - With original parts number
 - With cross references
 - Based on application
- Ordering simply and quickly
- All conditions and prices known in advance
- With technical support data

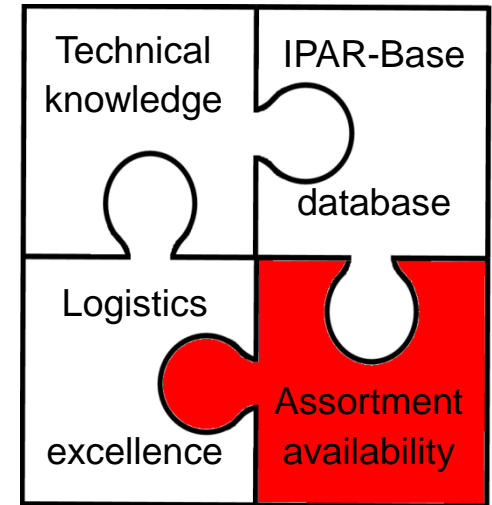

Your 1-stop solution concept

Assortment availability

- Broad assortment directly available
- Large extra warehouse facilities at suppliers all over the world
- Eliminates waiting times and costs!

Logistics excellence

- Timely delivery of your parts:
Your stock available on demand
- Day (SameDay) delivery
- In night deliveries (TNT)
- Tailored logistics (Kan-Ban, packaging needs)
- Eliminates waiting times and costs!

Your 1-stop solution concept

Market segments

- **Mobile**
 - **Defence**
 - **Maritime**
 - **Truck & Bus**
 - **Rail**
 - **Off road**

Market segments

- Mobile

- **Machinery**
 - **Engines, compressors, pumps**
 - **Machinery with hydraulic components**
 - **Installation**

Your 1-stop solution

Product groups

- Filtration
- Hydraulic components
- Engine components
- Chemicals
- Automotive parts

Product groups

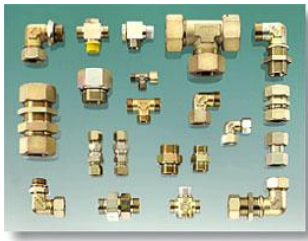

- **Filtration**
- Hydraulic components
- Engine components
- Chemicals
- Automotive parts
- **Hydraulics**
- **Fuel / lubeoil**
- **Air**
- **Filterelements /cartridges**
- **Procesfiltration / self cleaning filtersystems**
- **Dust removalunits**
- **None wovens**

Product groups

- Filtration
- **Hydraulic components**
- Engine components
- Chemicals
- Automotive parts

- **Heat exchangers**
- **Couplings & fittings**
- **Hoses & accessories**
- **Filtration**
- **Measuring & control**
 - **Temperature regulators & transducers**
 - **Combined level- /temperature regulators**
 - **Water indicators**

Specials:

- **Rotary unions**
- **Heavy duty seals**
- **Silencers & pulsation dampers**

Product groups

- Filtration
 - Hydraulic components
 - **Engine components**
 - Chemicals
 - Automotive parts
- **Pistons**
 - **Fuel pumps**
 - **Injectors**
 - **Starters**
 - **Batteries**
 - **Spark plugs**
 - **(Plain) bearings**
 - **Filtration**
 - **Cooling**

Product groups

- Filtration
- Hydraulic components
- Engine components
- **Chemicals**
- Automotive parts
- **Industrial oils**
 - Engine oils
 - Transmission fluids
 - Hydraulic fluids
 - lubricants
 - agriculture
 - greases
 - Specialities
- **Protective products**
 - Protective products
 - Tectyl
- **Coolants**
 - Coolants

Product groups

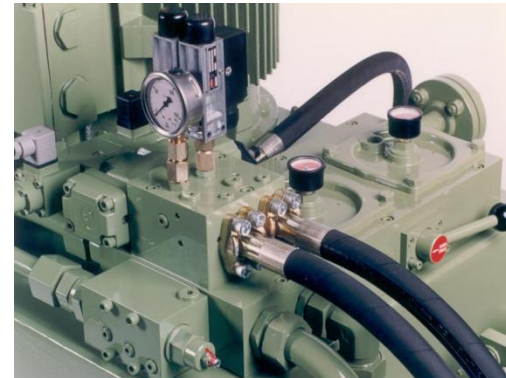

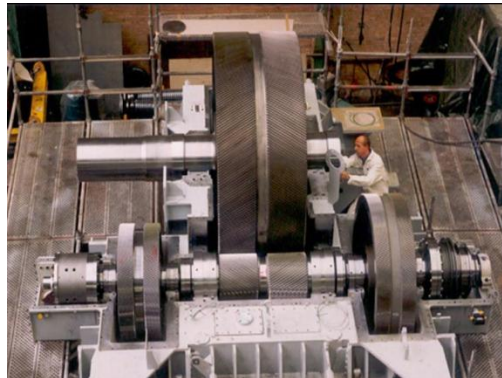

- Filtration
- Hydraulic components
- Engine components
- Chemicals
- **Automotive parts**
